Viewing Bid Results

Bid results are available on the Bid Express website and on MoDOT's Plans Room.

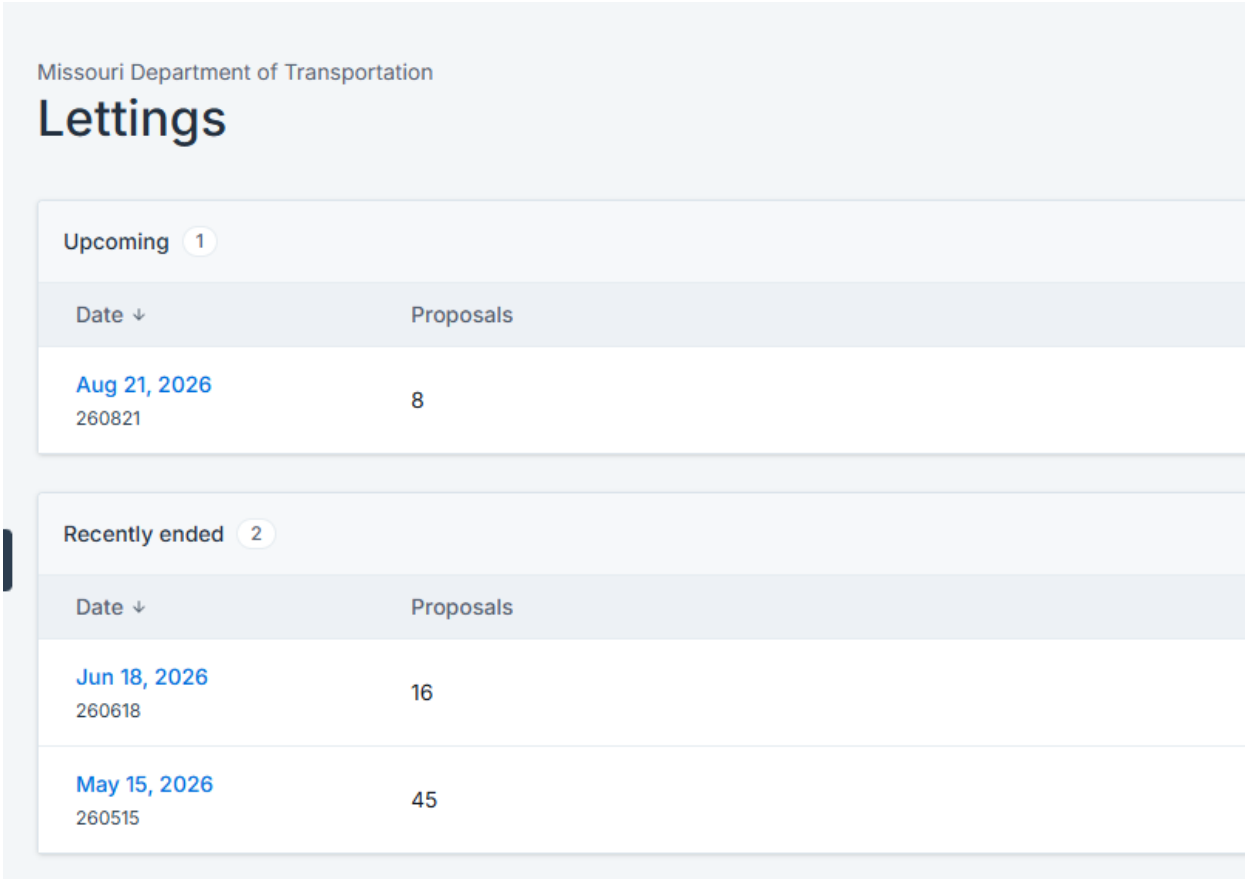

To view bids on the Bid Express website:

Apparent Bids will post to the Bid Express website as they are downloaded from Bid Express.

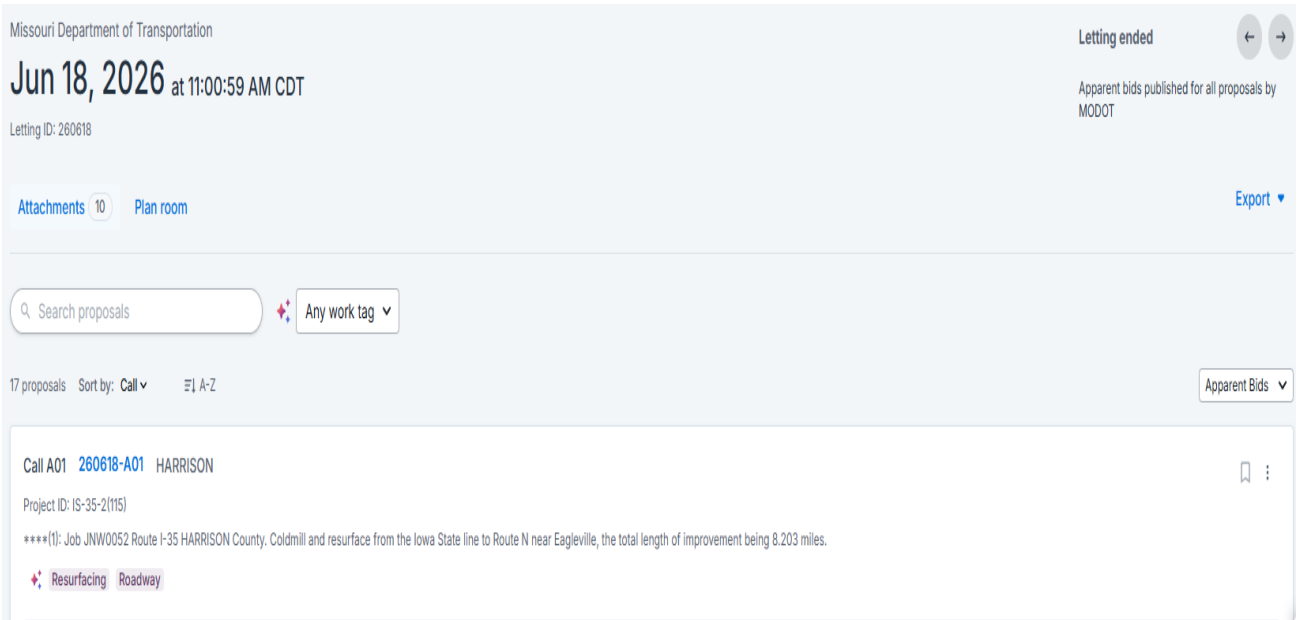

1. Go to www.bidx.com.
2. Select Missouri Department of Transportation from the U. S. Agency Dropdown:

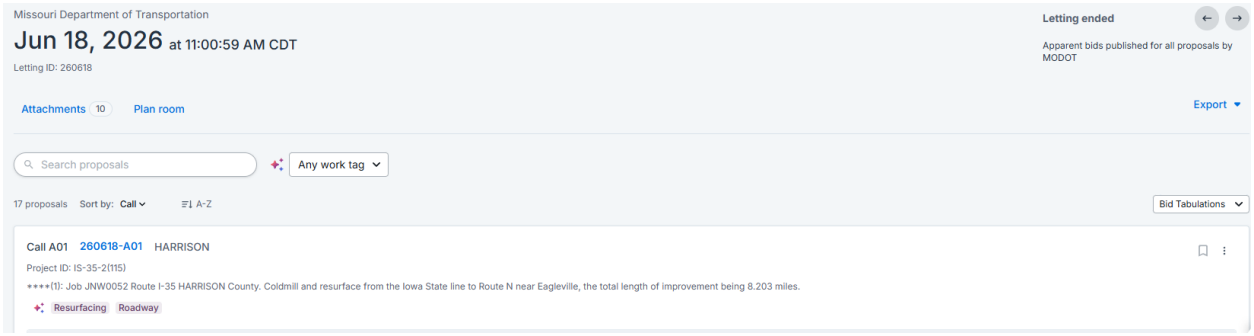

3. Select the lettings tab:

4. Select the letting date:

5. If you see Bid Tabulations click on the down arrow and see the apparent bids:

6. THIS IS A LIVE SITE. Bids will show as they are downloaded from Bid Express.

   If viewing Apparent Bids immediately after the close of the letting, click the "refresh" button at the top of the screen periodically to view newly downloaded bids.

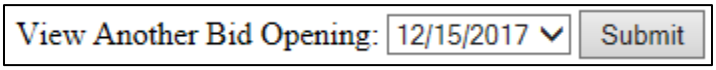

To view bids on the MoDOT Plans Room:

Apparent bids will be posted to the MoDOT Plans Room after all bids have been successfully downloaded from Bid Express. If you would like to view apparent bids as they are downloaded follow the instructions above to view bids on the Bid Express website.

1. Go to www.modot.org.
2. Place your cursor over the "Doing Business with MoDOT" words on the right. Drop down tabs will appear, Click on the one that says "Online Plans Room".

3. Select the date of the letting from the dropdown and click Submit.

4. Select the Bid Results link under Post Bid Information:

This document will not be posted until all bids have been successfully downloaded from Bid Express.
