as Surety, are held and firmly bound unto the state of Missouri (acting by and through the Missouri Highways and Transportation Commission), in the penal sum as shown in the contract documents of each project bid during the term of this bond, for which payment said Principal and Surety bind themselves, their heirs, executors, administrators, successors, and assign jointly and severally, firmly by these presents.

WHEREAS, the Principal has submitted bids to the Commission during the bond term shown above.

NOW THEREFORE, if the Commission shall accept any of said bids by the Principal and if the Principal shall properly execute and deliver to the Commission the contract, contract bond, and evidence of insurance coverage in compliance with the requirements of the bid, the specifications, and the provisions of section 227.100 RSMo, to the satisfaction of the Commission, then this obligation shall be void and of no effect, otherwise to remain in full force and effect.

In the event the said Principal shall, in the judgment of the Commission, fail to comply with any requirement as set forth in the preceding paragraph, then the state of Missouri, acting by and through the Commission, shall immediately and forthwith be entitled to recover five percent of the said bid amount, together with court costs, attorney's fees, and any other expense of recovery.

It is agreed that for any project bid during the term of this annual bond, any project specific bid bond filed with the bid documents shall supersede this bond.

This bond will not be applicable until written acceptance has been issued by the Commission. This bond may be terminated by the Surety, upon giving 5 days notice of its intention of such termination to the Commission, in writing by mail, email, or fax. Such Termination shall not relieve the Surety from any liability accrued by submittal of a bid under this bond prior to the termination date.

The Principal and Surety hereby certify that the document is the original or a verbatim copy of the bid bond form furnished by the Commission, in accordance with Sec 102.9 of the Missouri Standard Specifications for Highway Construction.
