| | | | | OTHR | 7 | Dec 16, 2020 | dwighj1 | (\$200.00) | This Line Item adjustment is being made to deduct 20% of the Line Item cost for this line item (Misc. Seeding, Cool Season Mixtures). The deduction is being charged because the contractor neglected to use fertilizer when they initially placed the seed and mulch on the project. The resident engineer gave the contractor the option to either apply the fertilizer as specified, or take a 20% deduct on the line item, which in this case amounts to a \$200.00 deduction. The contractor chose to take the deduction. |
